Other activities: As part of our Advisory and Research activities Cityforum works with a number of clients developing bespoke, informed, private off the record discussions. These vary in format and scope. They may be informed by a positioning paper and are generally followed by a succinct summary report with clear recommendations and actions. Bespoke ‘conclaves’ are a highly effective way of examining complex issues among multiple stakeholders with a view to meeting specific objectives. Where appropriate, informal, semi-structured interviews are conducted to ensure all stakeholders have ‘a voice’ in the positioning paper and ‘buy-in’ to the purpose of the conclave discussion.

For more details about content please contact Julie Conway jconway@cityforum.co.uk to arrange a call with one of our Directors. For sponsorship opportunities or to discuss bespoke, private conclave discussions please contact Helen Willis hwillis@cityforum.co.uk or Rachel Wilson rwilson@cityforum.co.uk or call 44 (0) 1373 831900.
